## Geoff Dean's Campaign for Sheriff of Ventura County Raises \$190,000

VENTURA COUNTY, CA - 1/29/10 - The Dean for Sheriff Team announced today that Geoff has raised \$190,000 in the first 6 months of the campaign from over 625 local individuals and organizations. His broad base of support reaches into every corner of Ventura County. Cash on hand at the end of 2009 is over \$144,000 with no outstanding bills.

Geoff Dean is supported by every Chief of Police in the county, in addition to the associations representing every deputy sheriff, police officer, prosecutor, probation and highway patrol officer in Ventura County. While Commander Dean is supported by all these groups, to avoid placing any employee in an inappropriate position, Geoff committed to not accept any monetary donations or endorsements from any employee currently on the Sheriff's Department. In addition to being law enforcement's choice, Geoff is proud to be endorsed by county supervisors, mayors, council members, and community leaders.

*"It has been exciting and rewarding to see the outpouring of support from all over the County. We are charging forward into the new year, running a positive campaign, speaking to the important issues that will keep Ventura County a safe place to live and raise our families. With your continued financial support I am confident our campaign message will be heard. Together we can keep Ventura County safe." Geoff Dean*

Geoff Dean is the only candidate for Sheriff with hands-on experience at every level of law enforcement in Ventura County, and the only candidate with extensive experience at the executive level of the Sheriff's Department. During 32 years of honorable service, Geoff

has done it all-from patrolling our streets, to serving as a police chief; from gang enforcement to leading three of the Department's four divisions; from staffing the jails to overseeing the entire Sheriff's budget of \$170 million. Geoff has consistently demonstrated his leadership skills and has earned the trust of the Ventura County community.

Geoff lives in Camarillo with his wife of 23 years, Marlene, a math professor at Oxnard College and their two children Lindsey, a college junior at DePaul University and Andy, a high school senior.
